Getting Started in FlowJo

Drawing gates and creating reports

Intro to FlowJo webinar: https://flowjo.wistia.com/medias/16mlup9j4j

Gating: https://docs.flowjo.com/flowjo/graphs-and-gating/gw-gating/gw-gatedrawing/

Tables: https://docs.flowjo.com/flowjo/tabular-reports/

Layouts: https://docs.flowjo.com/flowjo/graphical-reports/

Compensation

Correcting for spillover and evaluating spillover spread error

Compensation webinar: https://flowjo.wistia.com/medias/7lq4mqqkzy

AutoSpill webinar: https://www.flowjo.com/learn/flowjo-university/flowjo/flowjo-advanced-tutorials/164

Traditional compensation: https://docs.flowjo.com/flowjo/experiment-based-platforms/plat-comp-overview/plat-comp-workflow/

AutoSpill: https://docs.flowjo.com/flowjo/experiment-based-platforms/plat-comp-overview/autospill-compensation/

Spectral compensation: https://docs.flowjo.com/flowjo/experiment-based-platforms/plat-comp-overview/spectral-compensation/

Spillover spread: https://docs.flowjo.com/flowjo/experiment-based-platforms/plat-comp-overview/spillover-spreading-matrix/

Sample Quality

Inspecting samples for quality and using cleanup tools

Sample Quality webinar: https://flowjo.wistia.com/medias/brncbrd1lv

Sample Quality in FlowJo: https://docs.flowjo.com/flowjo/workspaces-and-samples/samples-and-file-types/ws-sampleinfo/sample-quality-check/
